PIKEVILLE COLLEGE • PIKEVILLE, KENTUCKY

DEDICATION

We dedicate this book to
FORREST E. ALBERT

as an expression of our love and gratitude to one who was an inspiring example of integrity and knowledge, who showed an active interest in every phase of our college life, who gave himself and his time without stint, and who stimulated our desire to reach the high goal which he set for us.

*Bright be the peace of thy soul!
No lovelier spirit than thine
E'er burst from its mortal control
In the orbs of the blessed to shine.*

*On earth thou wert all but divine,
As thy soul shall immortally be;
And our sorrows may cease to repine
When we know that thy God is with thee.*

THE CHAPEL

Pikeville College not only outlines a Christian program—Pikeville College is a Christian program. Regular daily worship service in the Chapel is a vitally important part of the student's life at Pikeville College. Here in the crowded pews many find that which they have searched for all their lives—Christ. Here in the Chapel, the students come in contact with the finer things of life, including: good music, art, drama, lectures, sermons, and special types of entertainment. The Chapel is really the heart of Pikeville College.

THE PIKEVILLE COLLEGE AREA

If you place the point of a compass on the dot on the map representing the town of Pikeville, and inscribe a circle of a 50-mile radius, you will find that the circle encloses an area of just under 8,000 square miles, including parts of the states of Kentucky, Virginia, and West Virginia. Within this circle there are half-a-million people not served by another four-year college. And yet their need for one is as great if not greater than that of any region of comparable size in the United States. The need for teachers, for trained and responsible Christian citizens, for competent professional men and women, is a critical one, for educational facilities have not kept pace with the demands of a rapidly growing population.

THE PATH

*Oh, lonely path of loveliness,
If your story you could tell.*

*Of those who passed in loneliness,
Along your beaten trail.*

*Tell of those in search of knowledge,
Who have walked you many a time.*

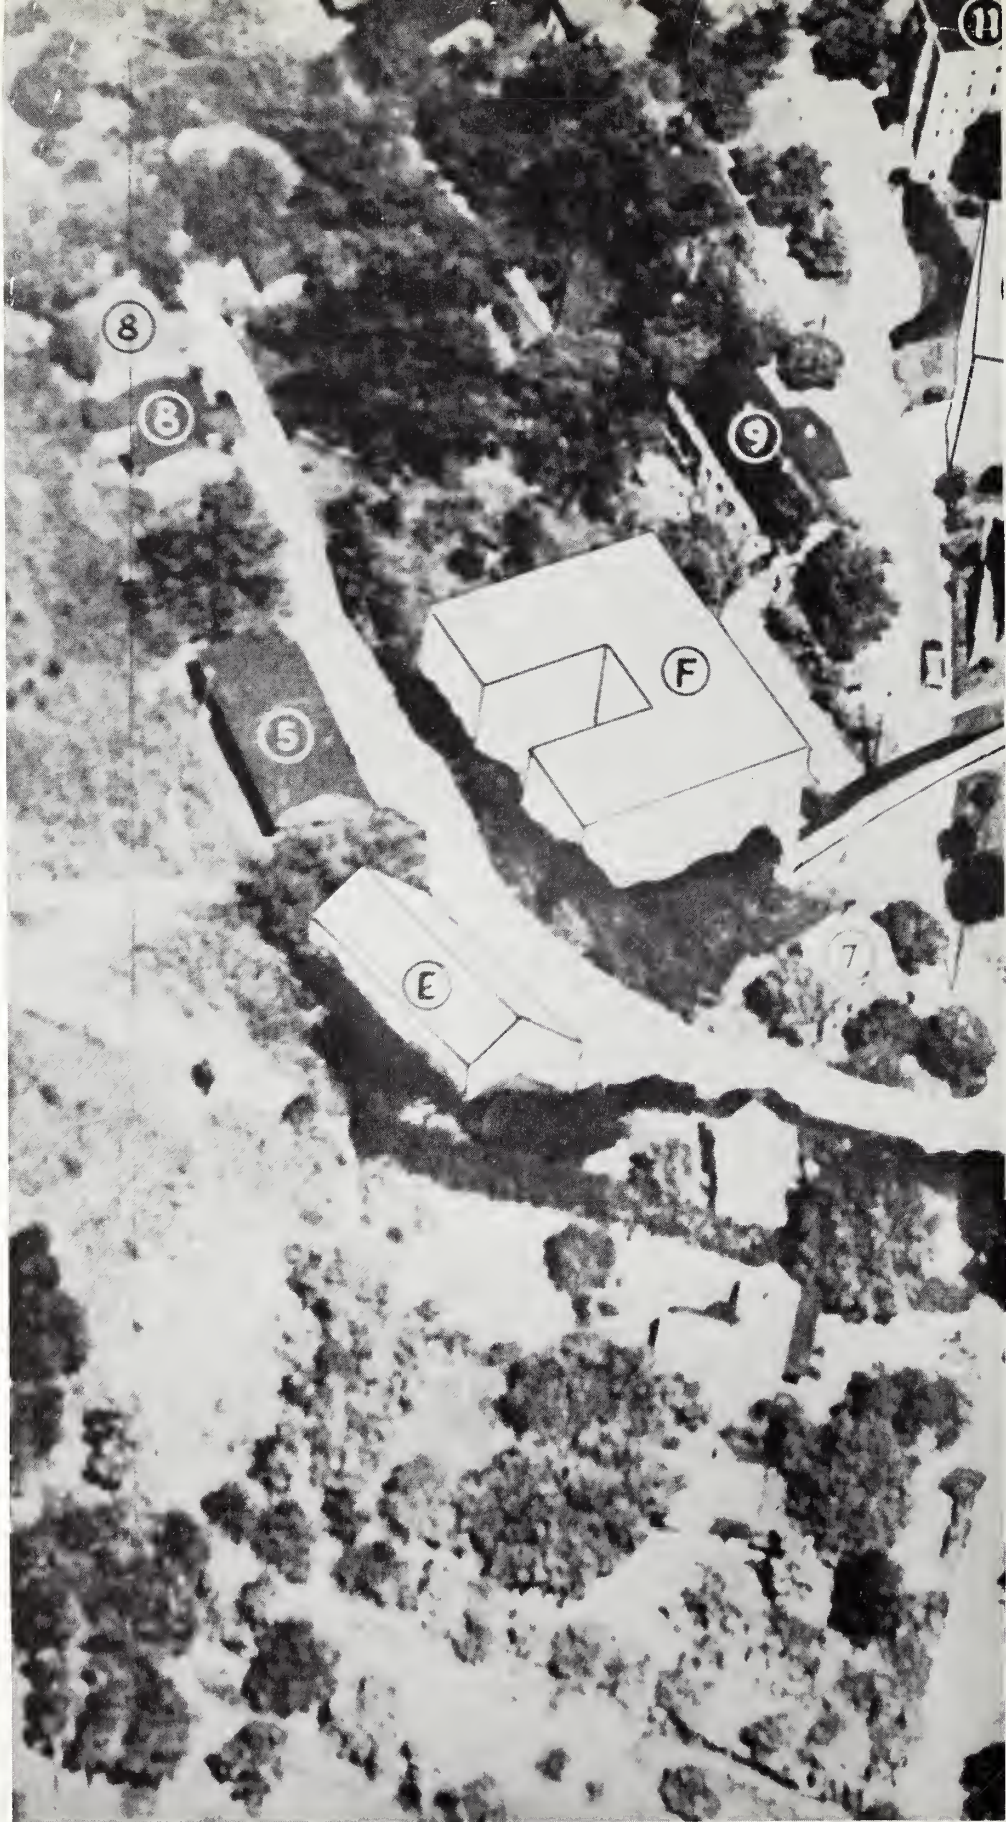

*To reach their goal in college,
And make their lives sublime.*

*Oh, how well you can relax them,
With your beauty in the spring.*

*As blossoms show the work of Him,
Who made you a beauteous thing.*

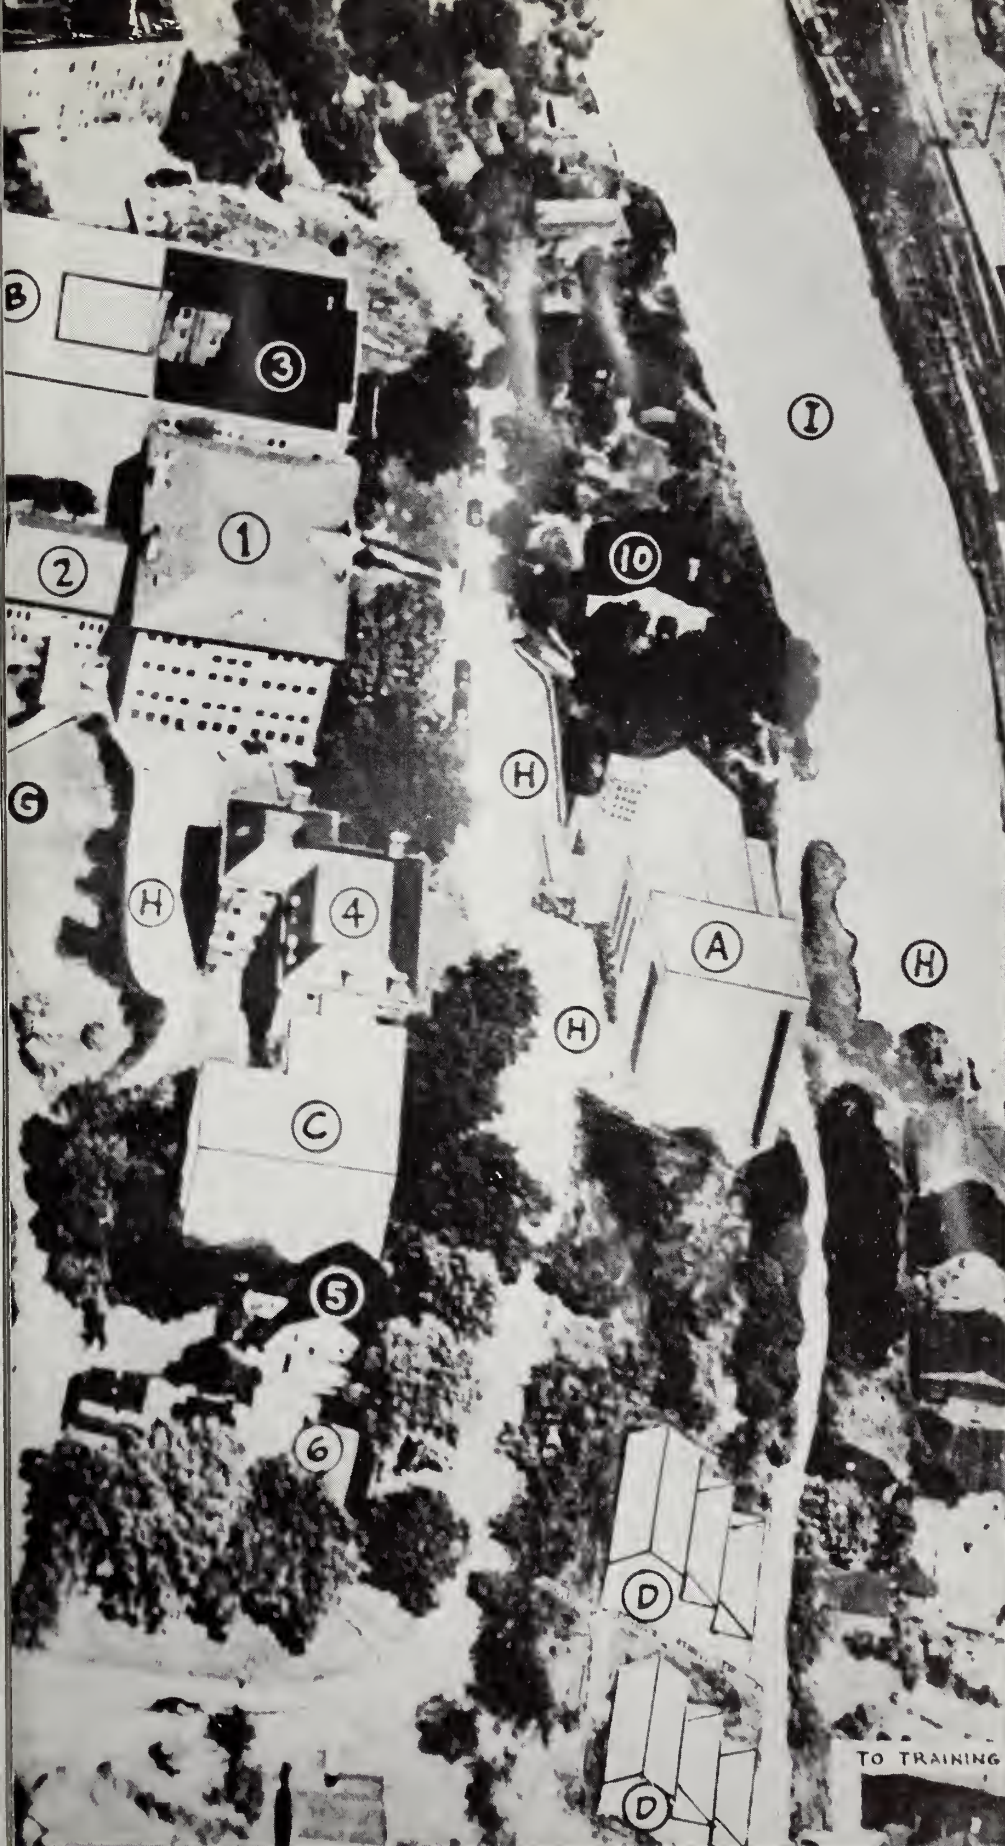

LEAH DEANE TACKETT

PRESIDENT

As the years pass, you will find that your HIGHLANDER will increase in value because it will become your book of memories. Your college classmates and experiences will be kept fresh in your mind as you review it.

Each individual has made a place for himself by past conduct, but the years ahead will determine the final estimate of all. Each person, therefore, has the opportunity to build a reputation. My sincere hope is that every student enrolled in this HIGHLANDER will build a great reputation and this can be done by constantly striving to give to life your very best. May God guide each of you to a most satisfying and useful life.

DR. RUSSELL GREGG BISNETT

Vice President

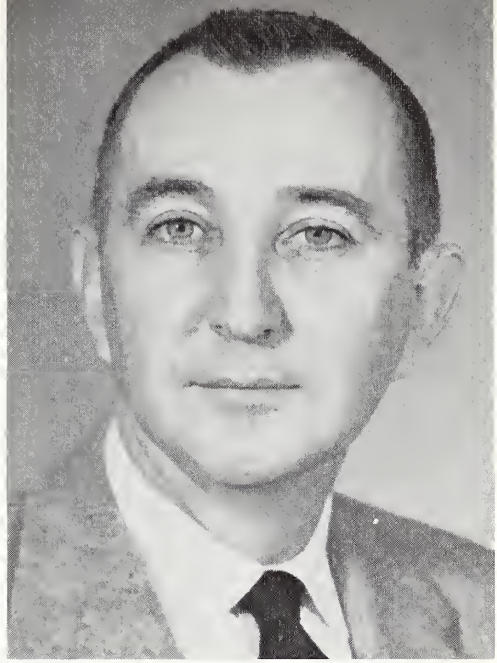

Pikeville College is happy to welcome Dr. Russell G. Bisnett to our campus this year. He will serve as the first vice president in the history of the college. The primary duties of the new vice president will be in the field of public relations.

Dr. Bisnett comes to us from the First Presbyterian Church, of Lodi, California. Besides his pastoral duties, Dr. Bisnett was active in the affairs of his Presbytery, Synod and local community.

We know that Dr. Bisnett will find work on a college campus different than the pastorate but we hope he will find it just as challenging and rewarding.

DEAN HOOVER

DEAN DAMRON

The unique function of the small church-related college is not only to give instruction in academic subjects, but to give the kind of training in moral and spiritual values that are difficult to attain on a large college or university campus.

Pikeville College is small enough that it can give individual attention to the student in the classroom and in the various campus activities.

It is our sincere hope that as students receive their degrees from this college that they will be better citizens in the communities in which they make their homes because they attended a college that not only had an academic emphasis, but tried to develop the spiritual and moral values of life as well.

Dean of Students

IN MEMORIAM

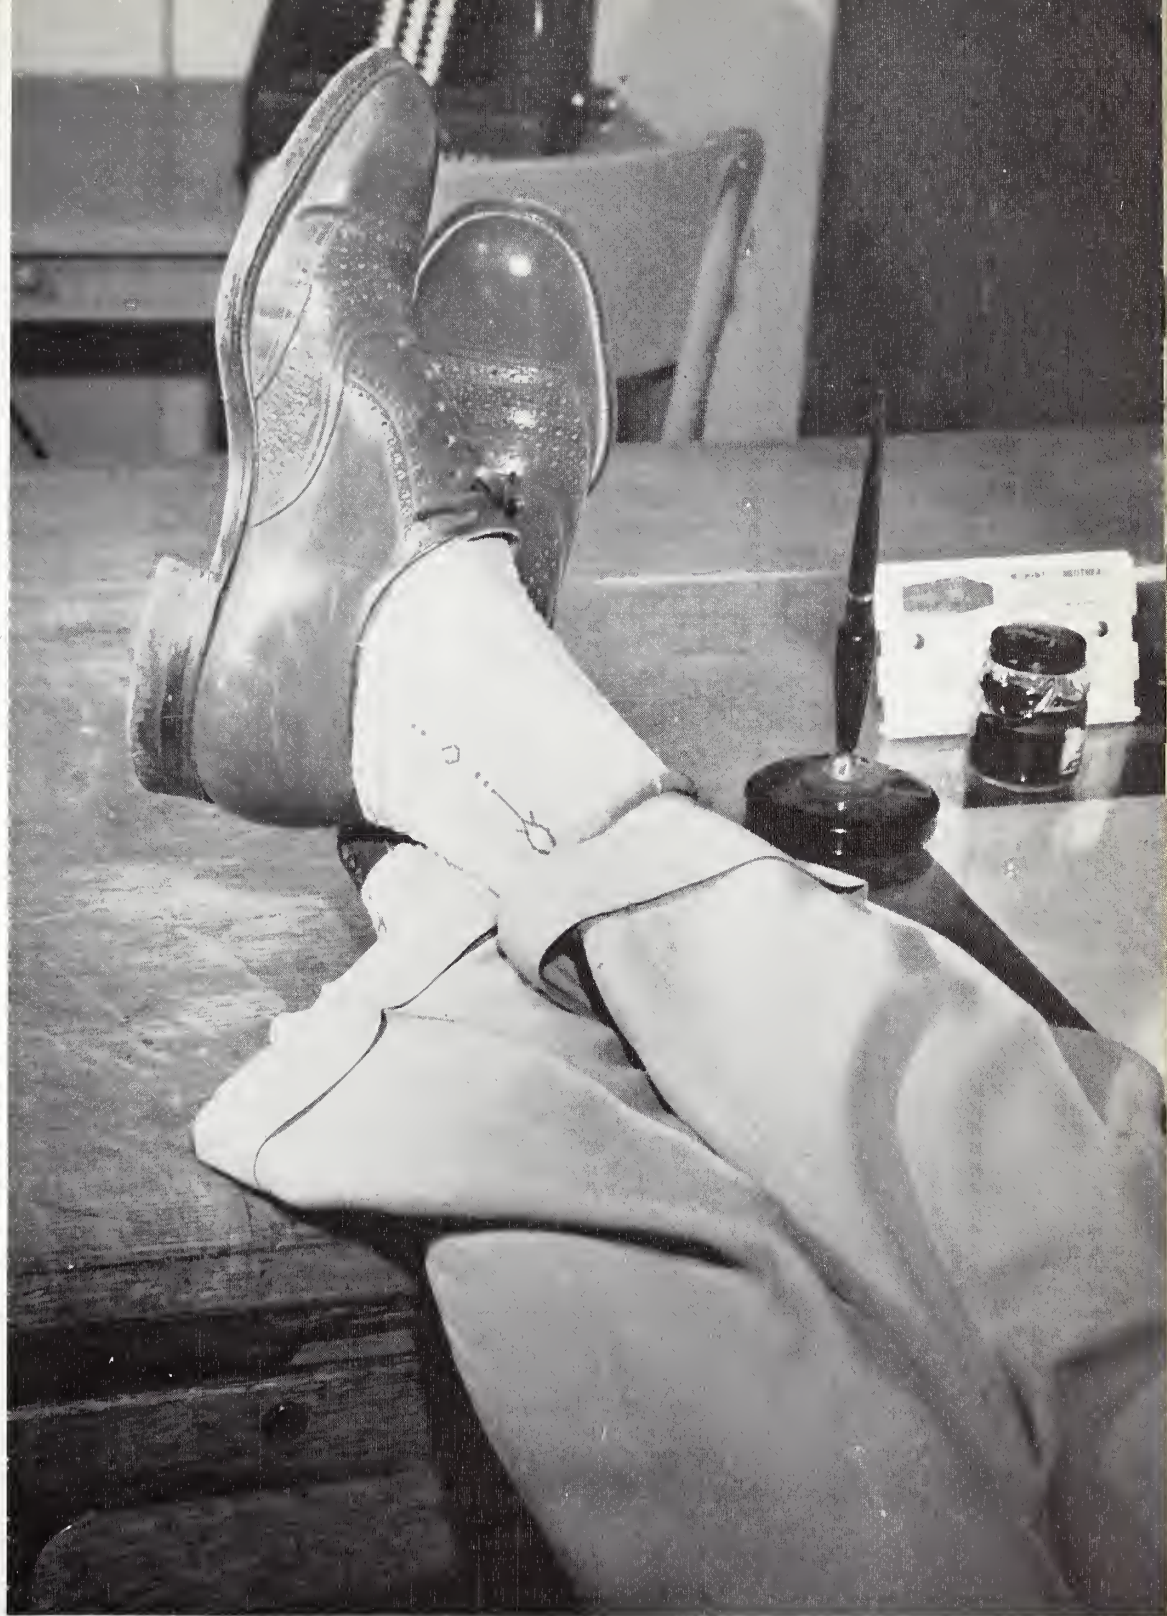

When Mr. Boyd Randall first came to Pikeville College as Acting Dean and mathematics teacher, he said, "It is gratifying to be here at Pikeville where I am free to read scripture, make comments, and pray in assembly."

Mr. Randall lived his religion every day. Recently he was asking for Boy Scout contributions. This was only one of his community activities. Although his work as Dean from 1951 to 1953 kept him very busy, he never seemed tired and was always patient in his conferences with students and faculty.

After Mr. Randall left the Deanship to become a faculty member, he willingly took charge of Chapel when his services were needed. His wise and witty remarks on such occasions were well received by the students.

On the day of his death, Thursday, December 5, 1957, Mr. Randall was attending a meeting of the officers of the Pikeville Kiwanis Club of which he had been faithful secretary for four years. In 1954 and 1955, he was voted Pikeville Kiwanian of the year.

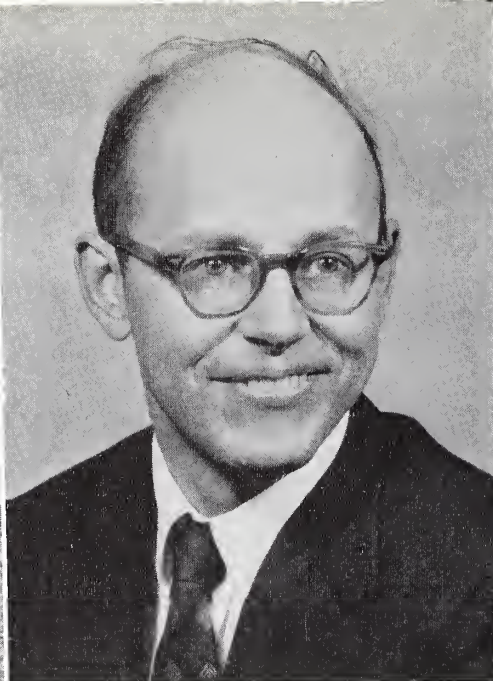

He was active in the organization of Presbyterian Men in the First Presbyterian Church of Pikeville. Mr. Randall had been vigorously living "the last of life for which the first was made."

Athletics[☆]

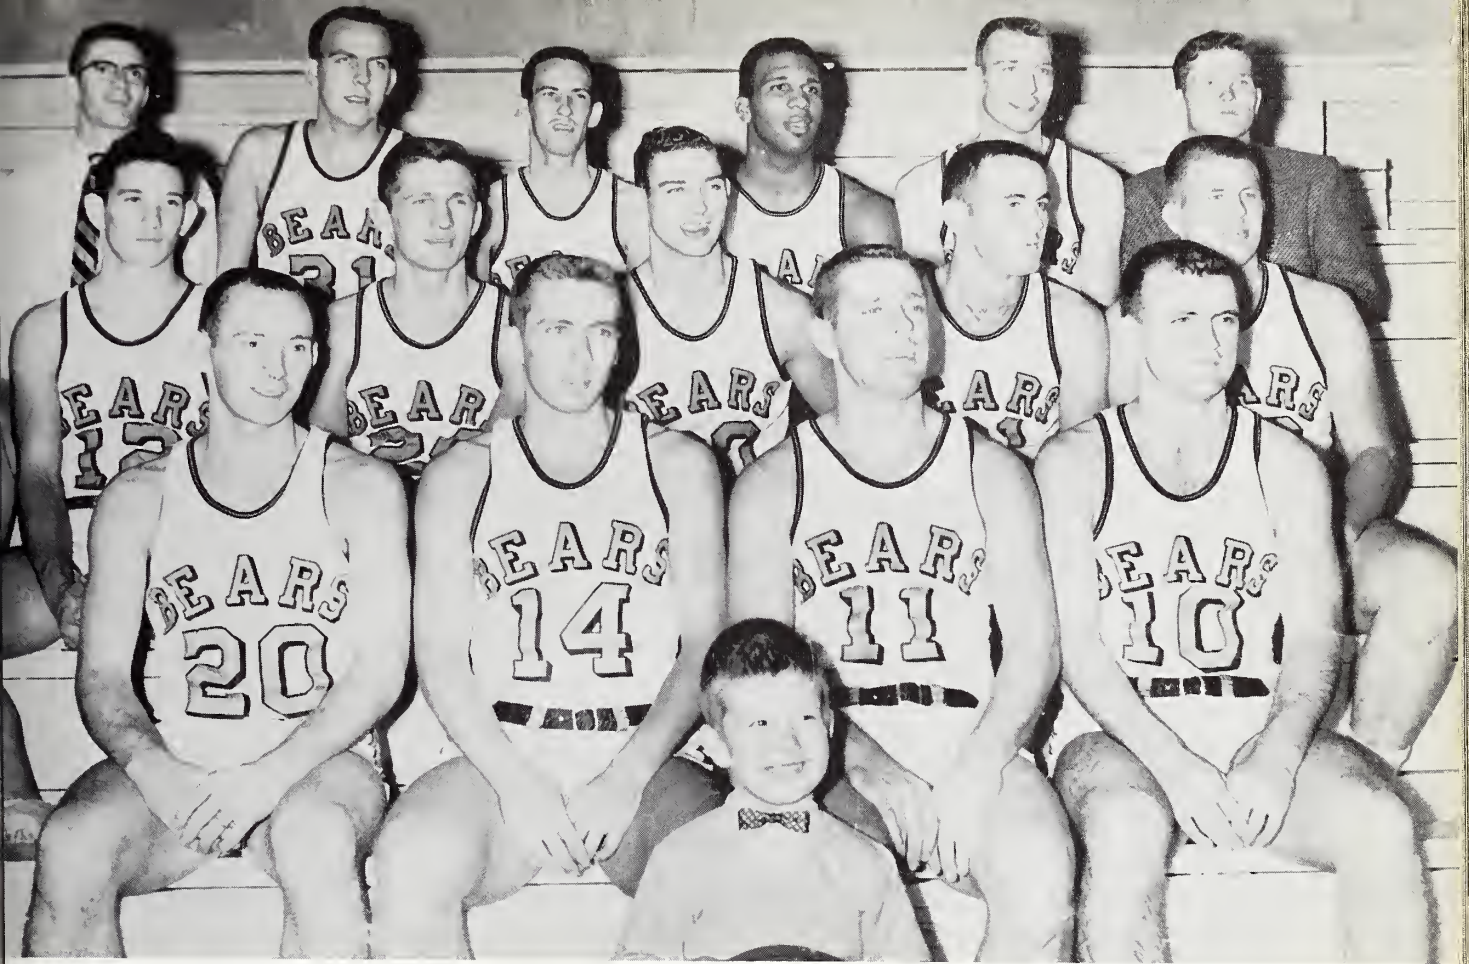

JOHN E. RENFRO

John E. Renfro, a native of Williamsburg, Kentucky, has begun his third year as Athletic Director and Head Coach at Pikeville College. As a member of the Cumberland College quintet of 1947-49, Coach Renfro set the scoring record for Junior Colleges. This record was later broken by a local boy and now Freshman Coach at Pikeville, Woody Preston.

While at the College of William and Mary, Williamsburg, Va., Renfro was a regular on the record-breaking Indian team of 1949, and was awarded a Southern Conference Blue Ribbon award. Coach Renfro received his B.S. degree from Georgia Teachers College, Statesboro, Ga., where he played on the national offensive leaders in 1950 and is a member of the Kappa Delta Pi, national honorary fraternity.

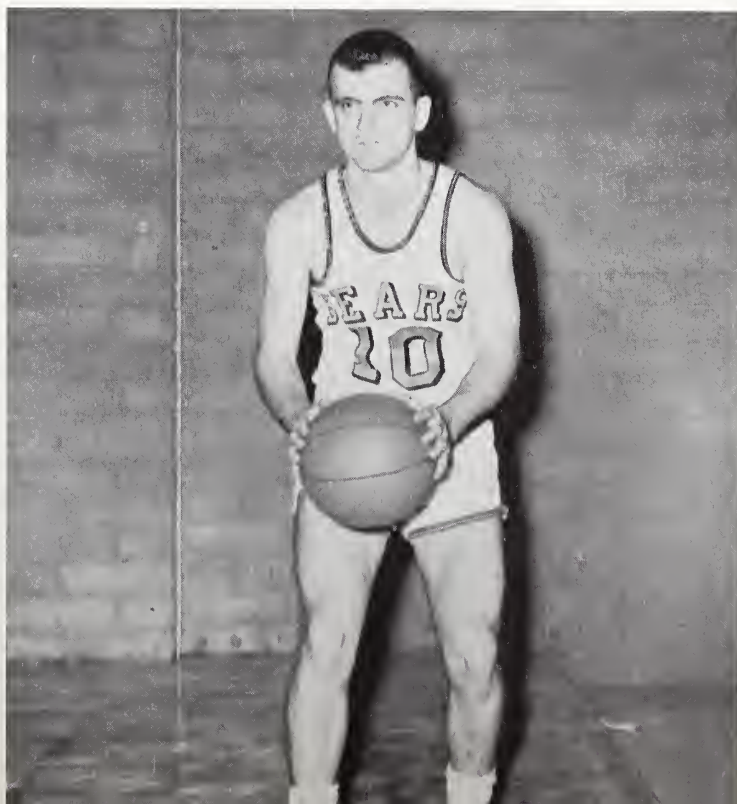

Coach Renfro is married and has a little basketball star, Edwin, 4, and a future cheerleader, Rhonda 1.
